Ashbrook's Got Talent

We will be holding our Spring Term Ashbrook's Got Talent on Friday 9 February 2024.

Once children have made it through the audition stage and to the final, parents will be invited to attend via Class Dojo.

Dear Parents/Carers,

What an amazing week we have had in school.

Staff have been working hard to ensure classrooms are showing consistency in terms of visual timetables and labelling, helping to promote children's independence.

I had the pleasure of showing round a headteacher from another Trust School this week, who was extremely complementary about recent changes to shared spaces and the 'delightful children at Ashbrook'.

Our Chair of Governors, Mr Stenson, visited classes this morning and could also see the improvements already made. I am thoroughly proud of staff and children!

NSPCC Number Day.

Thursday 1 February 2024 is the annual NSPCC Number Day.

All children will be participating in a range of exciting and fun activities linked to numbers.

The children will also be able to come to school in NON-UNIFORM as part of the NSPCC theme DRESS FOR DIGITS. For example, they could dress up as a number or in a sports top with a number on....the possibilities are endless.

To raise money for the NSPCC a voluntary donation of £1.00 CASH is to be given to the class teacher.

SAFEGUARDING "Everybody's Business"

It is everyone's responsibility to do something if there are concerns that a child is suffering from or is at risk of significant harm.

The safeguarding@ashbrook-jun.derbyshire.sch.uk is monitored throughout the day. If you have any concerns that a child is a risk of serious harm then contact **Call Derbyshire on 01629 533190** or visit <http://www.derbyshire.gov.uk/startingpoint>

NSPCC is a free 24 hour, 365 days a year helpline on 0808 800500 or visit www.nspcc.org.uk

Attendance Update—Week commencing 22 January 2024

A huge congratulations to [Elphinstone](#) Class with a weekly attendance of 100% - well done!

Elphinstone Class have been working really hard to support each other and achieve this outstanding attendance as a team this week. This is also the first time this academic year that Elphinstone have claimed the trophy. Well done Elphinstone for living our school values and winning the trophy.

Focus this week : Persistent Absence

We all understand that being in school is important to a child's achievement, wellbeing and wider development. Evidence shows that children with the highest attendance throughout their time in school gain the best GCSE and A Level results and are more likely to succeed in their chosen career path.

Across all schools in the UK, there are a number of indicators that can highlight when a child is at risk of not reaching their full potential. One of these indicators is when a child reaches an attendance level of **90%** or below.

Attendance below 90% is categorized as 'persistent absence'. Sadly, children that are showing as a persistent absentee at this point in the academic year has already lost at least 2 weeks of learning. The more a child misses, the harder it is for them to catch up on their work, they may start to feel isolated and this can all begin to impact their overall wellbeing and mental health.

At Ashbrook Junior School we understand that each of our families have their own unique set of circumstances, some of which can impact a child's school attendance. If your child's attendance is at risk of dropping to 90% or below, we will contact you so that we can work together to prevent the situation from worsening.

If your child has missed time from school and you are worried about how this has impacted their learning please talk to us.

Winter

water safety

In winter, children and pets are particularly at risk when tempted to play on the ice formed on open water, and adults can find themselves at risk in attempting to save them.

Taking a nice walk in cold weather with your family, friends or dogs in tow can be really refreshing, just make sure you know some simple tips on how to stay safe in winter.

Here are some useful tips to keep safe this winter:

KEEP BACK FROM THE EDGE

Keep back from slippery banks.

Stick to well-lit areas and plan your walks in daylight or along well-lit paths.

Never go onto the ice.

KEEP CHILDREN AND DOGS WITHIN REACH

Teach children not to go onto ice.

Keep dogs on a lead near ice and slippery banks.

If out enjoying a winter walk, walk with friends.

IF YOU'RE IN TROUBLE FLOAT AND CALL FOR HELP.

Stay calm, float on your back and call for help.

Wait for help and keep as still as possible.

Preserve heat by pressing your arms by your side and keep your legs together. Keep your head clear of the water.

Throw something that floats to somebody that has fallen in.

CALL 999

Do not enter cold water or ice to rescue.

Try and reach them from the bank using a rope, pole, tree branch, clothing tied together or anything else which can extend your reach.

Enjoy Water **Safely**
